---

## A BILL

To improve women’s access to health care services, and the access of all individuals to emergency and trauma care services, by reducing the excessive burden the liability system places on the delivery of such services.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Pregnancy and Trau-  
5       ma Care Access Protection Act of 2005”.

6       **SEC. 2. ENCOURAGING SPEEDY RESOLUTION OF CLAIMS.**

7       (a) IN GENERAL.—Except as otherwise provided for  
8       in this section, the time for the commencement of a health

1 care lawsuit shall be 3 years after the date of manifesta-  
2 tion of injury or 1 year after the claimant discovers, or  
3 through the use of reasonable diligence should have discov-  
4 ered, the injury, whichever occurs first.

5 (b) GENERAL EXCEPTION.—The time for the com-  
6 mencement of a health care lawsuit shall not exceed 3  
7 years after the date of manifestation of injury unless the  
8 tolling of time was delayed as a result of—

9 (1) fraud;

10 (2) intentional concealment; or

11 (3) the presence of a foreign body, which has no  
12 therapeutic or diagnostic purpose or effect, in the  
13 person of the injured person.

14 (c) MINORS.—An action by a minor shall be com-  
15 menced within 3 years from the date of the alleged mani-  
16 festation of injury except that if such minor is under the  
17 full age of 6 years, such action shall be commenced within  
18 3 years of the manifestation of injury, or prior to the  
19 eighth birthday of the minor, whichever provides a longer  
20 period. Such time limitation shall be tolled for minors for  
21 any period during which a parent or guardian and a health  
22 care provider or health care organization have committed  
23 fraud or collusion in the failure to bring an action on be-  
24 half of the injured minor.

1 **SEC. 3. COMPENSATING PATIENT INJURY.**

2 (a) UNLIMITED AMOUNT OF DAMAGES FOR ACTUAL  
3 ECONOMIC LOSSES IN HEALTH CARE LAWSUITS.—In any  
4 health care lawsuit, nothing in this Act shall limit the re-  
5 covery by a claimant of the full amount of the available  
6 economic damages, notwithstanding the limitation con-  
7 tained in subsection (b).

8 (b) ADDITIONAL NONECONOMIC DAMAGES.—In any  
9 health care lawsuit, the amount of noneconomic damages  
10 recovered, if otherwise available under applicable Federal  
11 or State law, may be as much as \$250,000, regardless of  
12 the number of parties against whom the action is brought  
13 or the number of separate claims or actions brought with  
14 respect to the same injury.

15 (c) NO DISCOUNT OF AWARD FOR NONECONOMIC  
16 DAMAGES.—In any health care lawsuit—

17 (1) an award for future noneconomic damages  
18 shall not be discounted to present value;

19 (2) the jury shall not be informed about the  
20 maximum award for noneconomic damages under  
21 subsection (b);

22 (3) an award for noneconomic damages in ex-  
23 cess of \$250,000 shall be reduced either before the  
24 entry of judgment, or by amendment of the judg-  
25 ment after entry of judgment, and such reduction

1 shall be made before accounting for any other reduc-  
2 tion in damages required by law; and

3 (4) if separate awards are rendered for past  
4 and future noneconomic damages and the combined  
5 awards exceed \$250,000, the future noneconomic  
6 damages shall be reduced first.

7 (d) FAIR SHARE RULE.—In any health care lawsuit,  
8 each party shall be liable for that party's several share  
9 of any damages only and not for the share of any other  
10 person. Each party shall be liable only for the amount of  
11 damages allocated to such party in direct proportion to  
12 such party's percentage of responsibility. A separate judg-  
13 ment shall be rendered against each such party for the  
14 amount allocated to such party. For purposes of this sec-  
15 tion, the trier of fact shall determine the proportion of  
16 responsibility of each party for the claimant's harm.

17 **SEC. 4. MAXIMIZING PATIENT RECOVERY.**

18 (a) COURT SUPERVISION OF SHARE OF DAMAGES  
19 ACTUALLY PAID TO CLAIMANTS.—

20 (1) IN GENERAL.—In any health care lawsuit,  
21 the court shall supervise the arrangements for pay-  
22 ment of damages to protect against conflicts of in-  
23 terest that may have the effect of reducing the  
24 amount of damages awarded that are actually paid  
25 to claimants.

1 (2) CONTINGENCY FEES.—

2 (A) IN GENERAL.—In any health care law-  
3 suit in which the attorney for a party claims a  
4 financial stake in the outcome by virtue of a  
5 contingent fee, the court shall have the power  
6 to restrict the payment of a claimant's damage  
7 recovery to such attorney, and to redirect such  
8 damages to the claimant based upon the inter-  
9 ests of justice and principles of equity.

10 (B) LIMITATION.—The total of all contin-  
11 gent fees for representing all claimants in a  
12 health care lawsuit shall not exceed the fol-  
13 lowing limits:

14 (i) 40 percent of the first \$50,000 re-  
15 covered by the claimant(s).

16 (ii) 33⅓ percent of the next \$50,000  
17 recovered by the claimant(s).

18 (iii) 25 percent of the next \$500,000  
19 recovered by the claimant(s).

20 (iv) 15 percent of any amount by  
21 which the recovery by the claimant(s) is in  
22 excess of \$600,000.

23 (b) APPLICABILITY.—

24 (1) IN GENERAL.—The limitations in subsection

25 (a) shall apply whether the recovery is by judgment,

1 settlement, mediation, arbitration, or any other form  
 2 of alternative dispute resolution.

3 (2) MINORS.—In a health care lawsuit involving  
 4 a minor or incompetent person, a court retains the  
 5 authority to authorize or approve a fee that is less  
 6 than the maximum permitted under this section.

7 (c) EXPERT WITNESSES.—

8 (1) REQUIREMENT.—No individual shall be  
 9 qualified to testify as an expert witness concerning  
 10 issues of negligence in any health care lawsuit  
 11 against a defendant unless such individual—

12 (A) except as required under paragraph  
 13 (2), is a health care professional who—

14 (i) is appropriately credentialed or li-  
 15 censed in 1 or more States to deliver  
 16 health care services; and

17 (ii) typically treats the diagnosis or  
 18 condition or provides the type of treatment  
 19 under review; and

20 (B) can demonstrate by competent evi-  
 21 dence that, as a result of training, education,  
 22 knowledge, and experience in the evaluation, di-  
 23 agnosis, and treatment of the disease or injury  
 24 which is the subject matter of the lawsuit  
 25 against the defendant, the individual was sub-

1           stantially familiar with applicable standards of  
2           care and practice as they relate to the act or  
3           omission which is the subject of the lawsuit on  
4           the date of the incident.

5           (2) PHYSICIAN REVIEW.—In a health care law-  
6           suit, if the claim of the plaintiff involved treatment  
7           that is recommended or provided by a physician  
8           (allopathic or osteopathic), an individual shall not be  
9           qualified to be an expert witness under this sub-  
10          section with respect to issues of negligence con-  
11          cerning such treatment unless such individual is a  
12          physician.

13          (3) OTHER HEALTH CARE PROVIDERS.—With  
14          respect to a lawsuit described in paragraph (1), a  
15          court shall not permit an expert in one health care  
16          provider field to testify against a defendant in an-  
17          other health care provider field unless, in addition to  
18          a showing of substantial familiarity in accordance  
19          with paragraph (1)(B), there is a showing that the  
20          standards of care and practice in the two health care  
21          provider fields are similar.

22          (4) LIMITATION.—The limitations in this sub-  
23          section shall not apply to expert witnesses testifying  
24          as to the degree or permanency of medical or phys-  
25          ical impairment.

1 **SEC. 5. PROMOTING FAIRNESS IN RECOVERING HEALTH**  
2 **BENEFITS AND PREVENTING DOUBLE RECOV-**  
3 **ERIES.**

4 (a) IN GENERAL.—The amount of any damages re-  
5 ceived by a claimant in any health care lawsuit shall be  
6 reduced by the court by the amount of any collateral  
7 source benefits to which the claimant is entitled, less any  
8 insurance premiums or other payments made by the claim-  
9 ant (or by the spouse, parent, child, or legal guardian of  
10 the claimant) to obtain or secure such benefits.

11 (b) PRESERVATION OF CURRENT LAW.—Where a  
12 payor of collateral source benefits has a right of recovery  
13 by reimbursement or subrogation and such right is per-  
14 mitted under Federal or State law, subsection (a) shall  
15 not apply.

16 (c) APPLICATION OF PROVISION.—This section shall  
17 apply to any health care lawsuit that is settled or resolved  
18 by a fact finder.

19 **SEC. 6. PUNITIVE DAMAGES.**

20 (a) PUNITIVE DAMAGES PERMITTED.—

21 (1) IN GENERAL.—Punitive damages may, if  
22 otherwise available under applicable State or Federal  
23 law, be awarded against any person in a health care  
24 lawsuit only if it is proven by clear and convincing  
25 evidence that such person acted with malicious in-  
26 tent to injure the claimant, or that such person de-

1 liberately failed to avoid unnecessary injury that  
2 such person knew the claimant was substantially  
3 certain to suffer.

4 (2) FILING OF LAWSUIT.—No demand for puni-  
5 tive damages shall be included in a health care law-  
6 suit as initially filed. A court may allow a claimant  
7 to file an amended pleading for punitive damages  
8 only upon a motion by the claimant and after a find-  
9 ing by the court, upon review of supporting and op-  
10 posing affidavits or after a hearing, after weighing  
11 the evidence, that the claimant has established by a  
12 substantial probability that the claimant will prevail  
13 on the claim for punitive damages.

14 (3) SEPARATE PROCEEDING.—At the request of  
15 any party in a health care lawsuit, the trier of fact  
16 shall consider in a separate proceeding—

17 (A) whether punitive damages are to be  
18 awarded and the amount of such award; and

19 (B) the amount of punitive damages fol-  
20 lowing a determination of punitive liability.

21 If a separate proceeding is requested, evidence rel-  
22 evant only to the claim for punitive damages, as de-  
23 termined by applicable State law, shall be inadmis-  
24 sible in any proceeding to determine whether com-  
25 pensatory damages are to be awarded.

1           (4) LIMITATION WHERE NO COMPENSATORY  
2 DAMAGES ARE AWARDED.—In any health care law-  
3 suit where no judgment for compensatory damages  
4 is rendered against a person, no punitive damages  
5 may be awarded with respect to the claim in such  
6 lawsuit against such person.

7           (b) DETERMINING AMOUNT OF PUNITIVE DAM-  
8 AGES.—

9           (1) FACTORS CONSIDERED.—In determining  
10 the amount of punitive damages under this section,  
11 the trier of fact shall consider only the following:

12                   (A) the severity of the harm caused by the  
13 conduct of such party;

14                   (B) the duration of the conduct or any  
15 concealment of it by such party;

16                   (C) the profitability of the conduct to such  
17 party;

18                   (D) the number of products sold or med-  
19 ical procedures rendered for compensation, as  
20 the case may be, by such party, of the kind  
21 causing the harm complained of by the claim-  
22 ant;

23                   (E) any criminal penalties imposed on such  
24 party, as a result of the conduct complained of  
25 by the claimant; and

1 (F) the amount of any civil fines assessed  
2 against such party as a result of the conduct  
3 complained of by the claimant.

4 (2) MAXIMUM AWARD.—The amount of punitive  
5 damages awarded in a health care lawsuit may not  
6 exceed an amount equal to two times the amount of  
7 economic damages awarded in the lawsuit or  
8 \$250,000, whichever is greater. The jury shall not  
9 be informed of the limitation under the preceding  
10 sentence.

11 (c) LIABILITY OF HEALTH CARE PROVIDERS.—A  
12 health care provider who prescribes, or who dispenses pur-  
13 suant to a prescription, a drug or device (including blood  
14 products) approved by the Food and Drug Administration  
15 shall not be named as a party to a product liability lawsuit  
16 invoking such drug or device and shall not be liable to  
17 a claimant in a class action lawsuit against the manufac-  
18 turer, distributor, or product seller of such drug or device.

19 **SEC. 7. AUTHORIZATION OF PAYMENT OF FUTURE DAM-**  
20 **AGES TO CLAIMANTS IN HEALTH CARE LAW-**  
21 **SUITS.**

22 (a) IN GENERAL.—In any health care lawsuit, if an  
23 award of future damages, without reduction to present  
24 value, equaling or exceeding \$50,000 is made against a  
25 party with sufficient insurance or other assets to fund a

1 periodic payment of such a judgment, the court shall, at  
 2 the request of any party, enter a judgment ordering that  
 3 the future damages be paid by periodic payments. In any  
 4 health care lawsuit, the court may be guided by the Uni-  
 5 form Periodic Payment of Judgments Act promulgated by  
 6 the National Conference of Commissioners on Uniform  
 7 State Laws.

8 (b) APPLICABILITY.—This section applies to all ac-  
 9 tions which have not been first set for trial or retrial be-  
 10 fore the effective date of this Act.

11 **SEC. 8. EFFECT ON OTHER LAWS.**

12 (a) GENERAL VACCINE INJURY.—

13 (1) IN GENERAL.—To the extent that title XXI  
 14 of the Public Health Service Act establishes a Fed-  
 15 eral rule of law applicable to a civil action brought  
 16 for a vaccine-related injury or death—

17 (A) this Act shall not affect the application  
 18 of the rule of law to such an action; and

19 (B) any rule of law prescribed by this Act  
 20 in conflict with a rule of law of such title XXI  
 21 shall not apply to such action.

22 (2) EXCEPTION.—If there is an aspect of a civil  
 23 action brought for a vaccine-related injury or death  
 24 to which a Federal rule of law under title XXI of  
 25 the Public Health Service Act does not apply, then

1       this Act or otherwise applicable law (as determined  
2       under this Act) will apply to such aspect of such ac-  
3       tion.

4       (b) SMALLPOX VACCINE INJURY.—

5           (1) IN GENERAL.—To the extent that part C of  
6       title II of the Public Health Service Act establishes  
7       a Federal rule of law applicable to a civil action  
8       brought for a smallpox vaccine-related injury or  
9       death—

10           (A) this Act shall not affect the application  
11       of the rule of law to such an action; and

12           (B) any rule of law prescribed by this Act  
13       in conflict with a rule of law of such part C  
14       shall not apply to such action.

15           (2) EXCEPTION.—If there is an aspect of a civil  
16       action brought for a smallpox vaccine-related injury  
17       or death to which a Federal rule of law under part  
18       C of title II of the Public Health Service Act does  
19       not apply, then this Act or otherwise applicable law  
20       (as determined under this Act) will apply to such as-  
21       pect of such action.

22       (c) OTHER FEDERAL LAW.—Except as provided in  
23       this section, nothing in this Act shall be deemed to affect  
24       any defense available to a defendant in a health care law-  
25       suit or action under any other provision of Federal law.

1 **SEC. 9. STATE FLEXIBILITY AND PROTECTION OF STATES**  
2 **RIGHTS.**

3 (a) **HEALTH CARE LAWSUITS.**—The provisions gov-  
4 erning health care lawsuits set forth in this Act shall pre-  
5 empt, subject to subsections (b) and (c), State law to the  
6 extent that State law prevents the application of any pro-  
7 visions of law established by or under this Act. The provi-  
8 sions governing health care lawsuits set forth in this Act  
9 supersede chapter 171 of title 28, United States Code, to  
10 the extent that such chapter—

11 (1) provides for a greater amount of damages  
12 or contingent fees, a longer period in which a health  
13 care lawsuit may be commenced, or a reduced appli-  
14 cability or scope of periodic payment of future dam-  
15 ages, than provided in this Act; or

16 (2) prohibits the introduction of evidence re-  
17 garding collateral source benefits.

18 (b) **PREEMPTION OF CERTAIN STATE LAWS.**—No  
19 provision of this Act shall be construed to preempt any  
20 State law (whether effective before, on, or after the date  
21 of the enactment of this Act) that specifies a particular  
22 monetary amount of compensatory or punitive damages  
23 (or the total amount of damages) that may be awarded  
24 in a health care lawsuit, regardless of whether such mone-  
25 tary amount is greater or lesser than is provided for under  
26 this Act, notwithstanding section 3(b).

1       (c) PROTECTION OF STATE'S RIGHTS AND OTHER  
2 LAWS.—

3           (1) IN GENERAL.—Any issue that is not gov-  
4 erned by a provision of law established by or under  
5 this Act (including the State standards of neg-  
6 ligence) shall be governed by otherwise applicable  
7 Federal or State law.

8           (2) RULE OF CONSTRUCTION.—Nothing in this  
9 Act shall be construed to—

10           (A) preempt or supersede any Federal or  
11 State law that imposes greater procedural or  
12 substantive protections for a health care pro-  
13 vider, health care organization, or the manufac-  
14 turer, distributor, supplier, marketer, promoter,  
15 or seller of a medical product from liability,  
16 loss, or damages than those provided by this  
17 Act;

18           (B) notwithstanding any other provision of  
19 this section, preempt or supercede any State  
20 law that provides for a specific monetary limit  
21 on total damages (including compensatory dam-  
22 ages) that may be awarded in a health care  
23 lawsuit regardless of whether such monetary  
24 limit is greater or lesser than is provided for  
25 under this Act;

1 (C) create a cause of action that is not  
2 otherwise available under Federal or State law;  
3 or

4 (D) affect the scope of preemption of any  
5 other Federal law.

6 **SEC. 10. DEFINITIONS.**

7 In this Act:

8 (1) ALTERNATIVE DISPUTE RESOLUTION SYS-  
9 TEM; ADR.—The term “alternative dispute resolution

 3 ant, as a result of the injury or wrongful death, pur-

11 (C) any contract or agreement of any  
 12 group, organization, partnership, or corporation

18 (4) COMPENSATORY DAMAGES.—The term  
 19 “compensatory damages” means objectively

11           (5) CONTINGENT FEE.—The term “contingent

 19      for) health care services or medical products, such as  
 20      past and future medical expenses, loss of past and  
 21      future earnings, cost of obtaining domestic services,  
 22      loss of employment, and loss of business or employ-  
 23      ment opportunities.

24           (7) EMERGENCY MEDICAL CONDITION.—The  
 25      term “emergency medical condition” means a med-

1        ical condition manifesting itself by acute symptoms  
 2        of sufficient severity (including severe pain) such  
 3        that the absence of immediate medical attention  
 4        could reasonably be expected to result in placing the  
 5        health of the individual (or, with respect to a preg-  
 6        nant woman, the health of the woman or her unborn  
 7        child) in serious jeopardy, serious impairment to  
 8        bodily functions, or serious dysfunction of any bodily  
 9        organ or part.

10            (8) EMERGENCY OR TRAUMA CARE SERVICES.—

11        The term “emergency or trauma care services”  
 12        means health care goods and services that are fur-

 23        that relates to the diagnosis, prevention, care,

8 (10) HEALTH CARE LAWSUIT.—The term  
9 “health care lawsuit” means any health care liability  
10 claim concerning the provision of obstetrical or gyne-  
11 cological goods or services affecting interstate com-  
12 merce, or emergency or trauma care goods or serv-
